INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation v. The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees v. The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees v. The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

Madam:-

Your letter of February 10, 1908, is at hand. In reply you are advised that this office has uniformly taken the position that it is unnecessary for claimants to employ attorneys to prosecute their claims for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, unless their claims were particularly complicated, but when claimants do employ attorneys we cannot undertake to determine what compensation they should pay.

You are further advised that there are no costs or charges made by this office for the consideration and determination of any claims.

You are further advised that Mr. Natimer is not and has not been a representative of this office, or of the Court of Claims for the enrollment of the Eastern Cherokees.

Very respectfully,

Special Commissioner.

My mother, Sarah Evans, was born in the Southern part of Ala. in Perry County. She was 55 or 60 years old at the time of her death. She was married before she left Ala. ~~My mother got her Indian blood from her father~~ I am not sure where my mother got her Indian blood. My father said that my mother was a 1/2 blood Indian.. My father was Malachi Evans. He too was born in south Ala. He was 59 years old at the time of his death. My father often talked about his Indian blood. He told us about being a Cherokee, he never had much to say about the Mississippi Choctaws. Nor about the Creeks. He never got any money from the Government on account of his Indian blood. There is no colored man blood that I ever heard of.

I am 81 years old, and I live Grant County, Ind. I was born in Patrick County, Va. I was 20 years old when I left Patrick County, and came West. Columbus Stewart is my brother. I have heard the testimony of my brother and it is substantially correct so far as I know. I have heard my father and my mother and my grandmother all talk about their Cherokee Indian descent. They used to tell us pretty often that we were Indians. The white people in the neighborhood in which we lived all recognized us as having Indian blood. There were no Indians in this particular neighborhood except our family. I am the wife of Jerry Shoecraft and my children are claiming their Indian descent through me alone, as I have no children by my second husband. I never heard of my great grandmother's going by the name of Campbell.

#19121.

John Paul being first duly sworn deposes and says:

I am 51 years old, and I live in Craighead County, Ark. I claim my Cherokee Indian descent through my mother, Elizabeth Cobb. My mother was born in Fentress County, Tenn. She was born in the same place in 1834 or 1835. I have often heard her speak of her Indian blood in her lifetime. She claimed to be about 1/4 Cherokee Indian. My mother got her Indian blood through her father, Jessie Cobb. Jessie Cobb got his Indian blood through his mother, Fannie Cocker, who married Acy Cobb. Jessie Cobb was born close to Tuscaloosa Ala. but came to Fentress County, Tenn. when he was a young man. My grandfather, Jessie Cobb, was supposed to be 1/2 Cherokee Indian. He dressed as an Indian, wore moccasins and showed his Indian blood very strongly. I never heard of his getting any money from the Government in 1861. The statement in my application, showing that I claim my Indian blood through my mother, grandmother, and great grandmother exclusively, is misleading by mistake so far as it leaves out my grandfather Jessie Cobb, whose father married a Cocker, a full blood Cherokee Indian.

App. No. 19126

December 3, 1907.

J. C. De Putron, Esq.,
Washington, D. C.

Sir:-

In the case of Seleta Brazil, Application No. 19126, to participate in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, the claimant states she was born in 1844 and claims her Cherokee descent through her mother, Seleta Doss, nee Parker, and through her grandmother, Lizzie Parker, nee Huckelby, and through her great grandmother, Rebecca Huckelby, nee Smalard, who was supposed to be a full blood Cherokee Indian.

Rebecca Huckelby having lived three generations back from the year 1844 when Seleta Brazil was born, was in all probability not living at the time of the enrollment of 1835. None of these ancestors, however, appear to have their names on the rolls of 1835. Neither does the name of the claimant herself nor that of her mother, Seleta Doss, appear to be on the roll of 1851, both of whom were living at that time.

It is possible that Seleta Doss may have been enrolled in 1851 under an Indian name. If so, please make known to this office what such Indian name was.

Seleta Brazil, the claimant, as stated in her application, was born in Gwinnett County, Ga., also her mother, Seleta Doss,

Dear Sir:-

In replying to your letter of March 17th. 1908 I will state that in the year 1882 I was living in Rome, Georgia and never knew anything at all as to any rolls being made of the Cherokee Indians.

I am unable to state why my father was not enrolled in 1851. I think he was living in Fannin County Georgia in that year. He originally came from South Carolina. I can not tell why my father and my grand father were not enrolled in 34 and 35 because I was raised an orphan and the people that raised me did not know this early history. That is if they did they did not teach it to me and they are now dead. I have been taught that my father was $\frac{1}{2}$ Cherokee Indian and the other was Caucasian blood.

None of my ancestors were ever held as slaves for I never knew of the Cherokee Indians being slaves and I never knew of the white people being slaves.

My information is very meager as to the ancestry through whom the Indian blood came but I am impressed that my grandfather on my fathers side had the blood, and possibly my grandmother.

Very respectfully,

Mrs. Mintha Cantrell

Samantha Cantrell being first duly sworn, deposes and says:

That I am 48 years of age and live in Floyd Co., Ga. I claim through my father; my mother was a full blooded white woman. My father claimed 1/4 Cherokee Indian. My mother's father was the Indian; my grandmother was a full blooded white woman. My father was born and raised in Fannin Co. or Pickens Co., Ga. He lived there all his life until he went in the War. I don't know my grandfather's name on my father's side. Don't know when my father was born. He would be 68 or 70 years of age if he was living now. I don't know whether my father ever lived with the Indians. I never did. My father was never enrolled that I know of. I am recognized as a white woman in the community.

App. No. 38631

December 10, 1907.

Thos. G. Garrett,
Atlanta, Ga.

Sir:-

Relative to your application, No. 28631, for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, you state your mother, Rebecca Garrett, lived in Floyd County, Ga. in 1851. Was she a duly recognized Cherokee Indian at that time? If so, why was she not enrolled in 1851? Did she or George H. Garrett, your father, receive any part of the money paid by the Government to the Eastern Cherokees in 1851?

Where did your mother live in 1835? Where did her parents, Sabisque Morris and Polly Morris, live at that time? When and where did they die?

You state in your application that your mother, Rebecca Morris Garrett, died in 1895. How old was she at the time of her death? If you do not know exactly, state as near as you can. It is important that you answer this question correctly, and if you are obliged to approximate her age, it would be well for you to strengthen your judgment by the opinion of others who knew her in her life-time and at the time of her death.

Was your great grand-father, Gideon Morris, living in 1835? When and where did he die? Was he a recognized Cherokee Indian

T.O.G. 2

at the time of the treaties of 1835-6? Was his son, Sabisque Morris, a duly recognized Cherokee Indian and did he live with the tribe at the time of these treaties?

Were either of your grandparents, Sabisque Morris and Polly Morris, living in 1851?

Why were you not enrolled in 1851? Does your family or any branch of your family claim relationship with or to any parties by the name of Sharp, Chandler or Byars? If so, state the degree of relationship.

Were your grandparents, Sabisque Morris and Polly Morris, related to any such parties? If so, state in what way.

Were you or any of your ancestors ever held as slaves?

Please furnish this office with direct and specific evidence which will establish the fact that your mother, Rebecca Morris, and her parents, Sabisque Morris and Polly Morris, were Cherokee Indians at the time of the treaties of 1835-6 and were duly recognized as such by the tribe.

There must not only be Cherokee blood shown, but affiliation *with* and recognition by the tribe in 1835-6, in order that a person's rights to participate in this fund may be established.

Very respectfully,

Special Commissioner.

Miranda Daniels being first duly sworn in behalf of
Jim James, deposes and says:

That I am about 75 years old and live in Floyd Co., Ga. Applicant claims through his mother; his father is a white man. His grandfather was the Indian, and his great grandfather claimed to be a full blooded Cherokee. His last name was Vann. Billy Cash was the grandfather of applicant on his mother's side. His mother, Jim James' mother, was 1/2 Indian. His mother was born in Campbell Co., Ga. She lived there some years and then went to Texas with a man by the name of Bob James, father of the applicant, when the applicant was about two years old. Don't know whether his mother lived with the Indians or not. Nancy Cash was never on any roll that I know of. I am a colored woman myself and raised the applicant. He never lived among the Indians; they were gone. He has never been enrolled. Bill Cash died since the War and he was raised in Campbell Co., Ga. and afterwards came up to Heard Co., Ga. when I was a girl. Bill Cash might have had some little colored blood in him. I have heard Bill Cash say he wished he had gone with the Indians; have heard him talk a lot about the Indians. If he ever lived among the Indians, it was up in Campbell Co., Ga. When Bill Cash came down to Heard Co., Ga. to work for my master it was some fifteen or twenty years before the applicant was born. He never went by to Campbell Co., Ga. He lived and died in Heard Co., Ga. when he was quite an old man. Bill Cash's wife died in Campbell Co. before he came to Heard Co. I am acquainted with Armetta Lay and she claims her Indian descent through the same source as does Jim James.

[Note.—Affiants should state how they gain a knowledge of the facts to which they testify.]
I know John M. Mahan, and M. Mahan & his wife, who married Bart Evans. She is now dead and has heirs. I knew their father Jim M. Mahan from about 1850 till he died. He was undoubtedly Indian and always claimed to be of Cherokee Tribe. He was recognized by all who knew him as Indian and was considered by all to be of Cherokee Tribe of Indians. I knew his mother and she looked exactly like Indian Squaw.
On one occasion while threshing wheat Sam Beck called him "Big Indian" Jim M. Mahan replied, "Because I have Indian in me, you need not know it up to me". His mother married Lindsey second time & Jim M. Mahan said his half brother Dnd Lindsey was talking of going to Indian Territory but started from him to Alabama.

Perry McManahan age 86 years, a resident of near Jate
 in the County of Pickens and State of Georgia

well known to me to be reputable and entitled to credit, and who, being duly sworn declares in relation to aforesaid case as follows:
 I know James McManahan who it is claimed was the
 father of affiant and first got acquainted with
 him about the year 1845. He was then living in
 Cherokee County, Georgia. He had a brother named
Bill McManahan but I do not know what became of
 him. The mother of Jim and Bill McManahan was
Jane McManahan and I got acquainted with her about
 1845 and she was also in Cherokee County, Georgia.
 The Cherokee Indians had removed them but
 I learned from the people living in this part of the
 country that the Cherokee Indians recognized
James McManahan as a Cherokee Indian. James
McManahan was a half blood Cherokee Indian and
 was so recognized by the people generally. My
 certain knowledge is only as 1845. James McManahan
claimed to be a Cherokee Indian and his son Jim
McManahan also claimed to be Indian blood at that time.
 Their name always been known as such since I
 knew them. James McManahan was part Caucasian
 and the other part Cherokee Indian as I learned.

Mr. J. D. Du Patron,
Dear Sir,

This is to state that I have known Harriot Rodgers (or Hargrove) colored, since my earliest remembrance. She was brought from Virginia when but a small girl and we have always considered her to be of Indian extraction. My father died when I was an infant, and I did not pay attention to what my mother knew of or said of these matters.

The said Harriot Rodgers has been in my family over seventy-five years and we believe she came from Cherokee Indian ancestors, and hope you can trace this to Bedford County Virginia, from whence she came.

Address,

Hon. Guion Miller,

Dear Sir:

Your letter received and contents read with care.

You ask where I resided in 1882, and why I was not enrolled at that time.

I resided near Tunnel Hill, Georgia, Whitfield County.

I had intended to enroll, but at that time opportunities were not very favorable, so I decided to make my application later.

You ask why my grand-mother was not enrolled in 1851.

I don't know, but I suppose on account of carelessness, or lack of opportunity.

My grand-parents were living in Pickens County, Georgia, in 1834-35.

Respectfully,

My father came here with the Cherokees. I do not know if he had an Indian name. I have seen my father's mother. She is a white woman. My grandfather, Boot Henson was the Indian. I am the oldest child. None of my father's aunts or uncles are living. ~~My grandfather's name was Benjamin Henson.~~ My grandfather's name was Benjamin Henson. Sir:

Replying to your letter of November 11, 1909, you are advised that it is impossible for me, at this time, to state when the Eastern Cherokee fund will be distributed.

However, the money cannot be paid out for some time yet, as there have been a large number of exceptions filed to my report, and until these are considered and passed on, and the roll finally approved by the Court no money can be paid.

The amount each enrolled person will receive cannot be ascertained until the final roll has been approved and the exact number enrolled determined. However, it will probably not amount to over \$120.

App. No. 19194

J. R. Price being first duly sworn in behalf of Julia Chaney, deposes and says:

I am 63 years of age and live at Tahlequah, Okla. Julia Chaney lives at Goodyn Bluff, Okla. I know Julia Chaney. My mother was a first cousin to the father of Julia Chaney. She gets her Indian blood through John ~~Ramsey~~ Brown, her father. He was living in 1851. I do not know whether he drew money in 1851 or not. He lived in Saline District at that time. Chu-ee-e-qua (Big Chu-ee) was his Indian name. Anderson Bengo was a half-brother of John Brown and was living in 1851. Jim Brown was John Brown's father. Polly Brown was a sister of John. I don't know the name of Jim Brown's wife. I think John Brown was living with Lizzie or Elizabeth Goody, who was an Old Settler. John at that time was a sheriff. They had children Arch, Charlie and Ellen. There were also John, Ocie, Joe and Quait. The children, Arch, Charlie and Ellen were Lizzie's children before she married John Brown. (See Saline 531) Also S. B. 45.

Mrs Martha Montgomery
Your letter came due to hand
today and I will tonight tell you
all I have heard as to your
mother looking Indian blood
in her, but all was hearsay,
your mother had all the features
of a Cherokee Indian both in
color and to the form of her face
and her hair was black as a
bruit and as straight as any I ever
saw on the head of any one
and her form was that of a
Cherokee Indian and taking
all this in common with the

rumors that she was an
Indian and not a Negro
There were two reports in
reference to your mother
one was that she was bought
from her mother the other that
she was stolen and sold a slave
and the another that Polly
Mother was a mulatto slave
and cohabited with a freed Indian
and Polly was the result of
such cohabitation. Now it was
I am inclined to believe the latter
as it would have been a dangerous
thing for any one to sell a free born
person into bondage so let any

of the three men, as the
time your mother would have
Indian blood in her and would
be entitled to the Government
bounty

The foregoing is all I know
or recollect at this time of
and Pacy was living at this
time and took as she did when I
first saw her no other Pacy would
be necessary to prove the Cherokee Indian
connection I hope you may be
successful in your investigations
Yours respectfully

Application No. 19316.

August 29, 1907.

Mrs. Mattie B. Credell,
Carterville, Ga.

Dear Madam:-

Replying to your letter of August 19, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at the present time whether or not you are entitled to participate in this fund, or how much each successful claimant will receive.

As there are already over 36,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

Replying to your letter of September 2, 1907, we can only refer you to our letter to you of August 29, 1907, and state that it is impossible, at this time, to determine whether you are entitled to share in the Eastern Cherokee fund, as your application has not been reached for final consideration.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

Sir - Just received the check & am glad
that my minor children are now settled.
I had two of the best lawyers of Kansas,
Kansas to fill mine & they sent the names
of all my children. In my application I
said I had three children... I have
three more of them viz. John,
Margaret, Mary, Gladys & Kate Davis. My
married ones are, Mrs. Jane A. Davis &
Neddy Graham.

Mr. Tracwell & Mr. Moore were in
the room & they said it was all right. I
must fix that black & white. I must
be a little more immediately. I am sure I am
an Eastern character. My father was a char-
acter who was involved at Salem. I
was 16 years ago & I never went to school again.
If you are a boy, you go to school. I can see
the need of it.

 as the Notary thought it unnecessary.
 Alton Cor's name never went in in the

 for the reason the ruling at that time
 debarred any one born after Mex 6, 1906

Your letter of June 4, 1907, inclosing a supplemental application for your minor children, is at hand.

You are advised that children born before May 28, 1906, would be entitled to participate in this fund.

The citizenship matter, which you refer to, has no connection with this enrollment, and you should address the Commissioner of the Five Civilized Tribes, Muskogee, I. T., in regard to that matter.

Dear Sir:

Absence from my home recently, prevented the early receipt of your letter of the 12. inst, for which delay I beg pardon. My family Records being at my home - Goldsboro, I shall forward your communication to my son there, Mr Don Clingman Humphrey, attorney & instruct him to secure such other information as you desire.

and forward the same to you at earliest possible moment. I will, with your permission however, just state here a few facts in reference to my father, about whom you ask.

It has always been a well known fact in North Carolina for many generations, that the "Poindesters and Clingmans" had a pronounced "streak" so to speak, of the Indian in them, — so much so, that at the public funeral oration of Gen. Thos. L. Clingman a few yrs ago (a double first cousin of my father) the speaker proclaimed to the vast audience, should there be any ignorant of the fact, the lineal descent from the

Cherokee Chief, of the distinguished Gen. & Anti-Bellum U.S. Senator, whose long life of usefulness & intrepid courage had just closed. His mother, Jane Poindesters, & my father's mother, Anne Poindesters, being the two noted Poindesters sisters of "old Surry Co." distinguished alike for heroism, & intellectual ability, & a goodly share of their natural "brithright," a love for hunting, ^{and these} became the series of two brothers, Jacob & Peter Clingman, Ann & Peter, being my father's parents, my father showed plainly his descent, often being taken for a "young brack" I've been told, by strangers — a strikingly handsome man, tall, long black hair, and pronounced Indian characteristics, which clung to him throughout his long life. Yes, for a short interim

He returned to N. C. to visit his family,
after remaining with the Cherokees
for a good while, upon their
removal ^{but again off N. C. to seek} and it was his intense
tribal affinity which caused his father
to disinherit him! Loving the
strange, wild life, of these "children
of the forest," the weird solitude
of the woods, mts, & the fascinations
of the "hunting grounds" appealed to him
as life itself; and so, with his won-
derful love for nature in all her moods,
& scorning the artificialities of "society,"
he spent thoroughly, spending nearly all
of his years among those more congenial
& the indulgence of their pastimes.
My dear father was persuaded by one to come
in his very old age & remain with me
until his death. I love his memory, &
dear to me; if a share come to him
or me, my first sad pleasure will be
to erect a fitting monument to his memory.
The answer to your letter will be prompt.

Dear Sir:-

Enclosed find copy of your letter to me relative to my application for participation in the Eastern Cherokee Fund and also the answers thereto.

1 By the right of direct lineal descent from the Cherokee Indian Chief, Donnahoo, whose grand-daughter, Betty Pledge, married Thomas Poindexter and their son, Francis Poindexter married Jane Patillo, whose daughter, Ann Poindexter, married Peter Clingman, whose son, Henry PatilloClingman, was the father of this applicant. Elizabeth Pledge was Chief Donnahoo's own daughter and was the mother of the above mentioned Betty Pledge.

2 Donnahoo, Chief of the Tribe of Eastern Cherokees, lived in the latter part of the Sixteenth and early part of the Seventeenth Centuries; died and was buried among the hills of Surry County. Donnahoo was the grandfather of Betty Pledge Poindexter.

3 Both.

4 Betty Pledge Poindexter was my great-great-grandmother by lineal descent; she lived in Surry for the most part, she and her

husband, Thomas Poindexter, at East Bend, (a bend in the Yadkin River, where is still the old "Indian spring" used by them and still in use by their descendants) locating there soon after the year 1753.

Betty Pledge Poindexter died February 9, 1816, at an old age. Thomas Poindexter died January 1, 1806. Betty Pledge Poindexter was buried on the summit of the high hill in Forsyth County in full view and just opposite (a half a mile distance from the town of Donnahoo,) which ^{town was} ~~was~~ named by my cousin, Dr. Sam Martin of Salem, N.C., in honor of the Cherokee Chief.

5- She got the name of Pledge by her father, Bill Pledge, who had married her mother, Elizabeth (Pledge) Donnahoo's own daughter, who was also named Betty or Elizabeth.

6 Children of Betty Pledge Poindexter, and Thomas Poindexter, viz.: Dorothy Randolph; Pally Riding; Betsy McCameron; Patsy Pettit; Sally Lovell; Annie R. Scott; Archie Poindexter; Pledge Poindexter; Capt. Francis Poindexter (my great-grandfather); William Poindexter; John G. Poindexter, and Robert A. Poindexter.

7 Yes, several of the older ones, but do not know full particulars.

8 Yes, after a few years, but again going back.

My dear Sir:

In reply to your letter of recent date, I beg to say that I claim to be an Eastern Cherokee Indian ^{by blood} through no other line of descent than through Donahoo, Chief of that Tribe, and my great-grand-mother, Bettie Pledge Foxindexter.

My dear old father remembered that when a little child of only three years old, he was held up to take a last look at his great-grand-mother who lay in her coffin, ready for burial!

I think it more than probable that my father, Henry Pattillo,

Clingman was the only living
 person ^{up to} the time of his death
 June 1906, who entertained any
 recollection of his ancestress
 Bettie Pledge Pindexter. Being,
 as the application in his
 name shows, 93 yrs old when
 he passed from this life, to join
 the "happy hunting grounds" of his
 ancestors! My dear Father
 was very old when I prevailed on him
 to come & pass the rest of his days with
 me and deeply thankful am I that
 I could contribute to his comfort
 & happiness, and nurse & love him,
 in those last trying months of
 declining life. He did, absolutely
 without means - and now my most
 earnest desire is, that from the
 share of this Indian Appropriation
coming so rightfully to him,

I shall realize the sad,
but truly great satisfaction
of being able to erect at
least to his beloved
memory, a suitably
monument, without which
funds, I would be entirely
unable to do any thing of
the kind. If you will

distressing heart trouble with which

I desire to thank you very

The occasion will be one of

some time past, & I greatly fear
I shall be deprived of that

know, or suppose however,
that my claim, & those of
my children, will be the
same whether I could go
or not. I would also greatly
love to meet those of the
"Pondyfers" who will doubtless
be in attendance, for they
all were my dear father's
kinsmen, and I have had
many interesting letters lately
from them - I'm not sure
whether I ever corrected
a mistake which I think

inadvertently occurred, in
some of the applications of my

summer. In which the
claims stated that Betsey

daughter of the chief in

as she really was - I
may have corrected it

intended doing, but in case
I did not, I now
mention the same.

No. 19238.

IDA CLINGMAN HUMPHREY, being first duly sworn and examined,
deposes and says:

My name is Ida Clingman Humphrey: I am 62 years old: I live at Goldsboro, N. C. I was born in Yadkin Co., N. C., at Huntsville. I claim as a Cherokee Indian through the Poindexters and Donohoo. I claim my Cherokee descent through my father, who died in June, 1906, at 93 years of age. He was born at Huntsville/ Yadkin Co., N. C. I think his father was born in Pa., and ~~his~~ mother was born in Yadkin Co., and it was through her (Ann Poindexter) I claim. I have no record of her age with me. I belong to the Eastern Cherokee Indians. I trace my connection through Donohoo, who was Chief of the Indian Cherokees; we don't know the date of his birth ~~of his birth~~ or death; it must have been nearly 200 years ago; he lived first in Va., we think, and then in N. C. I don't know what section of Va. We know that he lived in N. C., as we understand it. His wife's name was Mary Wentworth, a white woman, who was born, I think, in Va. I don't know what tribe of Indians he lived with in Va. I am not sure he lived in Va. We only have record of his being Chief of the Eastern Cherokees in N. C. That record I got from the Poindexters; they have given me the most of the knowledge I have. It was given me in letters. I could not say as to their being copies of official records, but I suppose these Poindexters must have official records. I am not able to tell where official records could be found. I know of only one child of Donohoo, Elizabeth, who married Wm. Pledge. I don't know whether he had any other children or not. Wm. Pledge is a white man. I don't know the date of the birth of Elizabeth Pledge, or her death. Wm. and Elizabeth had a child, Elizabeth Pledge; I don't know of any other children. Never heard of Frank as the son of Elizabeth Pledge, nor of Junalusky. I don't remember hearing the name of John Ayers. I don't know what year Elizabeth Pledge, the daughter of Elizabeth Pledge, was born: I have the ~~xxxxx~~ information at home, but not here. She married Thos. Poindexter. We suppose that she was born in Yadkin Co. I have not been so told, but I suppose so. I don't know where the daughter of the Chief was born, nor the granddaughter. I don't know when Elizabeth Poindexter lived with the Indians, or whether she ever lived with them. I have not been told that Elizabeth Poindexter ever lived among the Indians, but I have reason to believe so. I have never been told that Thos. Poindexter was an Indian; I think that he, as well as all the Poindexters, were men of prominence. I don't know whether he ever held any official position. I think he was a Baptist minister; it was one of those Poindexters. Elizabeth Poindexter was the grandmother of Ann Poindexter. Ann's father was Francis Poindexter, son of Thos. and Betty Pledge. I don't remember when Francis Poindexter was born. I may have it at home. Francis Poindexter was a Capt. in the Revolutionary War, as was his father. The record is in Raleigh, N. C. I don't know whether they were living with any band of Indians during the Revolutionary War. They fought with the colonies. I don't know the attitude of the Cherokee people during that war; I don't know whether they supported the British or not; I think they must have been friendly to the colonies. I don't know that Francis Poindexter ever lived among the Indians; I never heard that he did. ~~xxxx~~ state in your application that Ann Poindexter was born in 1787, so I suppose that is correct. I do not know whether Ann was the oldest child of Francis Poindexter; I do not know that she ever lived among the Indians. I know she used to go out and hunt like the Indians. Peter Clingman was a man of prominence in the community; he lived in Yadkin Co. He was a white man. He was my grandfather. I do not know of any official

Ida Clingman Humphrey.

Poindexter No. 7.

position he held, but he was a prominent merchant of the town. I first heard of Donohoo within the last two years. I have heard that there was a chief through whom we traced our descent, but I did not know his name. I first heard that there was such a chief more than 10 and less than 20 years ago. I don't know what Indians lived in this part of the country in the 18th and 19th century; all I know is what I have read in school books. I have heard of the Catawba Indians but thought they were in the eastern part of the country; I have heard of the Tuscarora Indians, but don't know much about them; I have not heard of the Sara Indians. I have never heard anything about where Donohoo came from, although it is possible that he came from James River, as was stated in testimony yesterday. I have heard since I was a child that I was a descendant of the Cherokee Indians; I want to correct my statement above that it was more than 10 and less than 20 years ago. I always heard I was Cherokee and never heard of any other tribe of Indians associated with our names. I don't know that any of our people ever received ~~any recognition~~ as recognized as Indians by the Government. So far as I know, we were known as citizens of the country, as white people. My father, so far as I know, never claimed any rights, nor my grandmother,-- I never heard that she made any claim at any time for any Cherokee funds. I did not apply to be enrolled with the Cherokees in 1883 and 1884 when the enrollment was made, nor did I ever hear that I was enrolled in 1851.

Com: In reply to a letter which I wrote you, in which I asked you this question: "You state in your application that your father was closely associated with the Cherokees. Did he live with them on their reservation or did he have any business dealings with them? Please state in full your father's relations with the said tribe." Your answer was: "Both." Will you please now state when your father lived with the Eastern Cherokees on their reservation.

Ans:

I cannot say what year; I cannot say just when. That was before I was born. I have reasons to believe that he did reside and have business intercourse with them, both in the western part of the state and after they were removed. I think he lived in I. T. for a while; I have no idea how long. I have been absent from my father a great deal. I think he lived with the Indians on the Cherokee reservation in N. C., before he was married; he was quite young and fond of that kind of life. He was born in April, 1813. I am his next to the youngest child. My brother Edw. was the oldest child, born about 1841. It was before that that father lived with the Indians. Father told me that he assisted in removing the Indians west. I don't think he ever affiliated with the Indians after his marriage, in the way of living with them.

1923

My dear Sir:

I regret being ~~being~~
delayed in Greensboro after seeing
you at Winston on the 19th inst.
having ^{just} reached home this p.m.
I had hoped to write you
earlier, as per agreement, but
hope it is not too late.
If not mistaken, I gave you
last fall, the names of "Betty
Pledge Pindexter's children", together
with date of his & Thos. Pindexter's
deaths; I find that he was
born in 1733 upon the banks of

the Rappahannock river, in Va. & that the date of her birth ^{could} ~~was~~ ^{have been} not far therefrom, as she was ^{quite} ~~was~~ aged at time of her death, in 1816 - he, preceding her, some nine yrs - From one of your interrogations the day I met you, I rather inferred that you entertained some doubt as to Betty Pledge having really belonged to the Eastern Cherokee Tribe, so I have decided to send for your perusal, an old paper containing a very

beautiful Funeral Oration, by Col. Burgwyn, (one of North Carolina's eminent sons), upon the occasion of the re-interment of Gen. Thos. Lanier Clingman's remains, at Asheville N.C., May 1898 - Gen. Clingman was my father's double first cousin - their mothers having been the two Poindexter sisters - Ann, & Jane - who married the two Clingman brothers, Peter, & Jacob, & were the daughters of Capt. Francis Poindexter, son of Betty Pledge Poindexter. So that my father bore the same relation to her that the General did.

my object in sending you the
address on Gen. Chingman, is to
have you read what is there
stated by the gifted orator &
compatriot of the dead statesman
& soldier, in reference to his ^{Cherokee}
Indian ancestry. If you
should really entertain doubts,
which I think must be only
surmise, this will aid to
dispel them, I'm sure. If you
have time to peruse the address,
I believe it would prove interesting
very - to you - apart from its
special bearing upon our
subject - I value the paper,
& will ask that you kindly send
it to me after having read same.

March 30, 1908

My dear Mr. Miller:

I posted you a letter
together with a paper I value
two days ago, & hope your
doubts as to the Cherokee
identity will soon be dispelled.
I feel sure that no Poindepsee
claimant can entertain
the slightest doubt upon the
validity of this question. I,
for one, can take oath that
my father, whenever touching
upon the subject of descent

it serviceable³ & of help in a
certain way - Some of the
man's characteristics were very
typical, & grand, just such
as have marked all of the
race I have ever known - I
knew him well - he & my
father were reared, in early
boyhood, together, being nearly
the same age - my father's
mother (Ann Pindexter Clingman)
dying when my dear father was
scarcely out of his boyhood, Thos
Clingman's mother (Jane Pindexter
Clingman) took the place to rear
with her own children or rather
came to my grandfather's home,
taking care of his children, my
father the youngest, & she being their

or his² association with them
alluded to them as the
"Cherokees" - and whereas,
you are but trying to do
your duty, & to be commended
we feel that the question
of this identity, so long known
to be true, is an unfortunate
one, causing delay, to say the
least -

I would very kindly suggest
that if you will take time
to read the article over, pretty
thoroughly, (aside from that
part of it alluding to Gen. Thos.
L. Clingman's death) that
you may, in a measure, find

aunt, (her husband, uncle
Jacob. Clingman having died
previously), so that her loving
care was about these two
families of children, her own
& my grandfather's mother's
children. - I never knew my
grandmother Clingman, dying so early
in life, as she did. But I did
know my father's aunt, (Thomas's
mother), who looked very much
like the Indian, in feature.
Hoping I have not tired you &
that it will not be too much trouble
to let me hear, particularly from
you, upon the subject in hand,
I beg to remain

Yours very sincerely
Ida Clingman Humphrey

no mistake along line

conscious that I did not
fully take in, at one time, all
you were reading, hence realized
afterward how easily a serious
mistake might inadvertently
have occurred - you were so
hurried, or I would have
requested you to repeat part of it.
I was sorry not to meet some of my
kins people upon that occasion,
but very glad to have met you,
